In Cambodia, nowadays, there is a lot of progress in both education and sport. In sport, there is a model woman. Sorn Seavmey is a sport woman in Taikwando. She is 23 years old. She was born on September 14, 1995. She has a brother and a sister. She is 1.83 meters tall.

In her family, she has a Chinese father, where as her mother is Cambodian. Before she became the athletic woman, she has a shortage in her standard of living. Her whole family has to work hard to support the members in the family. Seavmey is very fond of sports. She is good at Taikwando. She is encouraged to join in Taikwando sport player in Cambodia.

After joining in the Taikwando team, her family is much livelier than ever. A factor that has made her more growing love in sport is from her inner being. She gets trained and practiced harder. She is strong, caring, and patient to struggle for her own country's success. Seavmey gets a hard training, causing her meet some problem in her foot. She really worries about her health. However, she tries hard to get training for her health until she gets the gold medal in 2014 in South Korea. Seavmey was once again won the gold medal in Taikwado tournament which was held in April 2016 in the Phillippines. She was very excited about this magnificent prize, which she dumped in her heart and get love from the whole Cambodian.

I see that Sorn Seavmey is the first woman to win this gold medal. She is a passionate woman, trying to get success. I really admire her achievement. She is brave and wonderful.
